Conference Registration

Register at the Welcome Reception or at the conference site. There is a nominal fee to cover the cost of the conference facility and supplies.

WREN Website

Visit the WREN website at:
www.wrenconference.org

WREN is an informal gathering of state and local health department staff on the front lines of environmental, occupational, injury and chronic disease epidemiology. Now, in its 20th year, the annual conference serves as a forum for sharing our experiences and findings, and discussing our ongoing work.

May 16 – 18, 2002
Ashland, Oregon

Hosted by
Oregon Department of Health Services
Environmental & Occupational Epidemiology
